WHY IS BUNDLING PRODUCTS AGAINST THE LAW? THERE ARE MANY PRODUCTS BUNDLING IN THE MARKET IN THE WORLD. CLOCK WITH RADIO, TV WITH VCR, COMPUTER WITH PRINTER OR SCANNER, BUY ONE ICE CREAM AND GET ONE FREE, 4 TIRES GET ONE FREE, GET DINNER AND GET ONE FREE, BUY A NEW CAR AND GET RADIO FREE AND INSTALL. WHAT'S WRONG BUNDLING PRODUCTS?  
WHEN ONE IS NOT SMART ENOUGH TO INVENT THEIR OWN PROGRAMMER CODES FOR SOFTWARE. YOU CAN ASK THE GOVERNMENT FOR HELP.  
WHEN ONE BUYS A SOFTWARE IT WILL COST ONE PRICE. AND IF ONE BUYS A MILLION SOFTWARES THE PRICE WILL LOWER LIKE WHOLESALE. RIGHT?  
BILL GATES GOES OUT TO PROMOTE HIS PRODUCTS EVERYTIME. I NEVER SEE ANY COMPETITORS DOING THE SAME. ONLY THEY SIT IN THEIR OFFICES LIKE CHURCH MOUSES AND WAITING FOR SALARY AND BONUS AND CRY MONOPLY.  
SOME ONE SAID " CUT OFF THE AIR SUPPLY" IS THAT A CRIME? HEARD MANY TIMES AND LOUD " I WILL KILL YOU, YOU SOB" THAT'S WHAT ONE CALL A FIGURE SPEAKING AND NOT A CRIME.
